

OFF THE SHELF

NEWSLETTER OF THE HUDSON AREA PUBLIC LIBRARY | MARCH 2024

New & Noteworthy in the Teen Lounge

We've got a lot in store for the teen lounge upstairs!
Here's what you can look forward to seeing.

We've recently added a second Nintendo Switch to our in-house collection, but the games don't stop there. We've also installed a retro game table that can be played solo or with a friend, and there's always board games available.

An art table is the latest addition to the teen lounge, soon to be followed with booth seating and aesthetic features such as fairy lights, neon signs, and other art and decorations based on what our Teen Advisory Board suggests we add.

The Teen Advisory Board meets every second Friday from 4:30 to 5:30 p.m. Grades 6-12.

No registration necessary.
